**‘Sole or main residence’** means the dwelling determined by the Council to be the sole or main residence of a person.

## **1.0 Purpose of the scheme and background.**

- 1.1 The purpose of this policy is to determine eligibility for a payment under the Council's Discretionary Council Tax Energy Rebate Scheme (the 'Discretionary Scheme').
- 1.2 The scheme has been designed based on general guidance issued by the Secretary of State for Levelling Up, Housing and Communities on 3<sup>rd</sup> February 2022. However, it is separate to the mandatory Council Tax Energy Rebate Scheme which is largely determined by Government
- 1.3 The Council's Discretionary Scheme is part of a package of support for households in respect of rising energy costs.
- 1.4 Government has determined that Councils can decide locally how best to make use of the discretionary funding to provide payments to other households who are energy bill payers but not covered by the mandatory Council Tax Rebate. However, Government has stated that occupants of class M (student halls) are unlikely to be eligible for discretionary support, unless they are exposed to rising energy prices in a similar way to other households and discretionary support should **not** be offered to occupants of property in exemption class O, where the Ministry of Defence will provide cost of living support.

## **2.0 Funding**

- 2.1 Government has provided funding to the Council; however, all payments will have to be made prior to the 30 November 2022 which is the deadline for this scheme. Given the need to meet this deadline all applications must be made by no later than 23 November 2022. However, as the funding provided to the Council for this scheme is limited, the Council reserves the right to close the scheme or any part thereof should funding be exhausted earlier.

## **3.0 Eligibility criteria and awards**

### **Basic eligibility**

- 3.1 The Council has decided that the payments will be made provided:
- (a) the household has their sole or main residence in a dwelling; and
  - (b) the Council Tax liable person is not a local authority, a corporate body or other body such as a housing association, the government or governmental body.

### **Awards**

- 3.2 Where the criteria in 3.1 (a) and (b) are met, the following awards will be made:
- (a) A single one-off payment of £150 will be awarded to any household who resides in a dwelling with a Council Tax band E to H **and** who are in receipt of Council Tax Reduction (Council Tax Support);
  - (b) A single 'top up' payment of £27 to any household within Council Tax band A to H who receives an award of Council Tax Reduction (Support); and

- (c) A payment of £150 for any household, not entitled to either a payment in (a) or (b) above or a payment under the mandatory Council Tax Energy Rebate **and:**
- (i) Is directly responsible for household energy bills; and
  - (ii) Is facing significant difficulties in paying energy bills.

- 3.3 In the case of 3.2(a) and (b), households in Council Tax band E who receive a Reduction for Disability in accordance with the Council Tax (Reduction for Disabilities) Regulations 1992 (Disabled Person Reductions), will be treated as being in Council Tax band D.
- 3.4 In the case of 3.2(c), applications will be dealt by partner agencies working with the Council and referred to the Council for a decision to be made as to whether an award should be made.
- 3.5 For the purpose of the discretionary scheme, a household is a person or group of persons occupying a single dwelling, as defined in section 3 of the Local Government Finance Act 1992.

### **Effective date**

- 3.6 The effective date for awards made under 3.2 (a) and (b) of this scheme is 1 April 2022. The Council will determine eligibility based on the position at the end of that day. Awards under 3.2 (c) can be made until 30<sup>th</sup> November 2022 only.

### **Exclusions**

- 3.7 The following households are excluded from this scheme:
- A property that has is not a person's sole or main residence;
  - A property that is deemed to be a second home for Council Tax purposes;
  - An unoccupied property (for the purposes of Council Tax);
  - Occupants of Council Tax exemption class M (Halls of Residence); and
  - Occupants of property in Council Tax exemption class O, (Ministry of Defence).

### **Alterations to liability or the Council Tax Band**

- 3.8 Where the Council has reason to believe that the information they hold about the valuation list, liable taxpayer(s) or residents' circumstances in respect of 1 April 2022 is inaccurate, it will withhold the payment and take reasonable steps to determine the correct information.
- 3.9 Where records relating to the liable taxpayer(s) or the residents' circumstances in respect of 1 April 2022 are retrospectively updated, the Councils will take reasonable steps to either pay the discretionary award or potentially reclaim any payment made.
- 3.10 In any case, where the Council Tax band of the chargeable dwelling is amended retrospectively after 1 April 2022, for example where a successful appeal is made to the Valuation Office Agency (VOA) that concluded after this date, the Council is not required either to pay any discretionary award or to reclaim any payment made.

## Eligibility Disputes

- 3.11 The decision of the Council on any eligibility matter will be final. Should any applicant feel aggrieved by any decision of the Council, then matters will be dealt with through the Council's complaints procedure. Full details are available on the Council's website.

## 4.0 How the Council Tax Rebate will be paid

- 4.1 Where the Council determines that all of the eligibility criteria are met in full, payment will be made to the household as defined within section 3 above. It should be noted that **only one discretionary payment** will be made per household, regardless of the number of occupants or liable Council Taxpayers.

### Direct Debit payers

- 4.2 Where the Council holds a current direct debit instruction for a liable Council Taxpayer of an eligible household, payment will be made using the bank account details held. Payments will be made as soon as practicable.
- 4.3 The Council is required to verify that the bank details held are those of the eligible household and where multiple residents of an eligible household are jointly and severally liable for Council Tax, the full payment will be made to the account for which the direct debit is held only. Payment of the award, however, is for the benefit of the household as a whole.
- 4.4 No payment will be made where the name on the bank details does not match the person / household without checks being made and suitable assurance provided that payment is going to the eligible person. Should the Council require additional information in order to establish the correct person to receive the payment, it is expected that the household provides all necessary details as soon as possible. Further details of how this request will be made and responsibilities to supply such information are detailed below.
- 4.5 It should be noted that the award will be paid on the assumption that the person receiving the payment is eligible (or would have been if the property were not exempt) and that the property meets the criteria on 1 April 2022 as defined with section 3 above.

### Where the Council does not hold current a direct debit instruction for an eligible household

- 4.6 Where the Council does not hold a current direct debit instruction for an eligible household, it will make reasonable efforts to contact the household and obtain the necessary bank details.
- 4.7 Where the Council is unsuccessful in contacting the household but where it is of the opinion that the household meets the eligibility criteria, the discretionary award will be credited to the Council Tax account if appropriate.

4.8 In all cases, the Council must ensure that payments are made correctly and where appropriate, require households to verify that that they are eligible for the payment. Where no such verification can be made or where a household fails to respond to the Council's request, no payment whatsoever shall be made.

## **5.0 Provision of information to the Council**

5.1 Residents, owners and managing agents should note that the Council has powers available to it under Regulation 3 (1) (c) of the Council Tax (Administration and Enforcement) Regulations 1992, to request such information to determine the correct liable person for Council Tax purposes. Government has stated that these powers may also be used for Council Tax Rebate purposes.

5.2 Failure to respond to such a request, without a reasonable excuse, within 21 days could lead to penalties being imposed. The Council therefore encourages all such persons to provide any requested information as soon as possible.

## **6.0 Scheme of Delegation**

6.1 The Council has approved this scheme. The Council's Section 151 Officer is authorised to make technical policy amendments to ensure the scheme meets the criteria set by the Government and the Council.

## **7.0 Notification of Decisions**

7.1 All decisions made shall be notified to the liable person either in writing or by email.

## **8.0 Reviews of Decisions**

8.1 The Council will operate an internal review process and will accept a taxpayer's request for a review of its decision.

8.2 All such requests must be made in writing to the Council and should state the reasons why the taxpayer is aggrieved with the decision of the Council. New information may be submitted at this stage to support the taxpayer's review

8.3 The case will be reconsidered by a senior officer as soon as practicable, and the taxpayer informed in writing or by email of the decision. That decision shall be final.

## **9.0 Taxation and the provision of information to Her Majesty's Revenue and Customs (HMRC)**

9.1 The Council does not accept any responsibility in relation to a taxpayer's HMRC tax liabilities and all taxpayers should make their own enquiries to establish any tax position.

## **10.0 Managing the risk of fraud**

- 10.1 The Council will not accept deliberate manipulation of this policy or fraud. Any person caught falsifying information to gain a discretion payment will face prosecution and any amount awarded will be recovered from them.

## **11.0 Recovery of amounts incorrectly paid**

- 11.1 If it is established that **any** payment has been made incorrectly due to error, misrepresentation or incorrect information provided to the Council by a taxpayer or any other person, the Council will look to recover the amount in full.

## **12.0 Data Protection and use of data**

- 12.1 All information and data provided by applicants shall be dealt with in accordance with the Council's Data Protection policy and Privacy Notices which are available on the Council's website.
